

2019 Summer Funding Opportunities
For more information: Undergraduate Research Support Office
undergraduateresearch.duke.edu

Across the Disciplines

Deans' Summer Research Fellowships

undergraduateresearch.duke.edu/opportunities
Contact: ursoffice@duke.edu
Deadline: March 1, 2019
Eligibility: Trinity College students
Supports faculty-mentored research in any discipline in the arts and sciences. Fellowships may cover project expenses, travel, or living expenses.

URS Independent Study Grants & Assistantships

undergraduateresearch.duke.edu/opportunities
Contact: ursoffice@duke.edu
Deadline: Rolling
Grants: Up to \$400 to support project expenses for a research independent study (for course credit).
Assistantships: Up to \$400 in salary for a not for credit research experience at Duke.

Mellon Mays Undergraduate Fellowships

undergraduateresearch.duke.edu/opportunities
Contact: melissa.rains@duke.edu
Deadline: Late February 2019
Supports students with a strong commitment to entering PhD programs in select disciplines in the humanities, social and natural sciences. Provides stipends for two years including academic terms and summers.

Bass Connections

bassconnections.duke.edu
Contact: meghan.o.neil@duke.edu
Deadline: February 15, 2019
Summer funding for year-long interdisciplinary research teams that have a summer component; course credit is available during fall and spring

Career Center Internship Funding Program

studentaffairs.duke.edu/career/programs/internship-funding-program
Contact: law55@duke.edu
Deadline: February 28, 2019
Funding to defray costs associated with participating in low-paying or unpaid internships

Arts, Humanities & the Social Sciences

Benenson Awards in the Arts

undergraduateresearch.duke.edu/programs
Deadline: March 2019
Contact: mmalouf@duke.edu
Awards for fees, travel, production, and other educational expenses (excluding courses for credit) for arts-centered projects proposed by undergraduates; seniors may apply funds to projects planned for the one year period following graduation

Nasher Museum of Art Summer Internships in Museum Studies

<https://nasher.duke.edu/duke-students/internships/>
Contact: nasheracademics@duke.edu
Internship Deadline: TBA
Funding Deadline: TBA
Funding to assist students with living expenses during internships at major art museums in the United States, abroad, or at the Nasher Museum of Art.

Asian/Pacific Studies Institute Summer Research Fellowship

asianpacific.duke.edu/funding/undergraduate-funding
Contact: apsi@duke.edu
Deadline: March 2019
Provides grants of up to \$2500 for research in Eastern and Southeast Asia.

Mellon Undergraduate Awards for Summer Research Latin America and the Caribbean

Contact: kmaffitt@duke.edu
Deadline: March 9, 2019
Provide opportunities for students to complement class work with research experience in Latin America and the Caribbean (includes Puerto Rico and U.S.-Mexico border region); open to all fields and subjects.

Undergraduate Research Scholars Program in Jewish Studies

jewishstudies.duke.edu/academics/funding-scholarships
Contact: serena.elliott@duke.edu
Scholars will receive funding for research projects, or study abroad, in any discipline relevant to Jewish Studies, over the academic year or the summer.
Priority Deadline: March 15, 2019; all other applications reviewed on a rolling basis.

Duke Story+

<http://fhi.duke.edu/programs/story>
Contact: fhi@duke.edu
Deadline: late Feb/early March 2019
Stipends available for this full-time, six-week program concurrent with Summer Session I; student teams complete an interdisciplinary humanities research project with a public storytelling component.

Duke University Center for International and Global Studies Undergraduate Overseas Summer Awards

www.igs.duke.edu/opportunities/undergraduate-overseas-summer-awards
Contact: nancy.robins@duke.edu
Deadline: February 25, 2019
Awards for students to complement classwork with research experience in different social and cultural settings

DukeEngage

DukeEngage Independent Projects

dukeengage.duke.edu/independent-projects/

Contact: Thomas.n.phillips@duke.edu

Deadline: January 23, 2019

Provides financial support for students initiating independent civic engagement projects tailored to specific goals and community partner needs.

Duke Global Health Institute Independent Field Work Grants

globalhealth.duke.edu

Contact: lysa.mackeen@duke.edu

Deadline: March 4, 2019

Grants for independent undergraduate global health fieldwork projects. Preference is given to those students enrolled in DGHI education programs. Up to \$5000.

Kenan Summer Fellows

kenan.ethics.duke.edu/students/kenan-summer-fellows/

Contact: suzanne.shanahan@duke.edu

Deadline: Late February/Early March 2019

Design a project that provides a thoughtful, novel perspective of how to live an ethical life.

Duke Human Rights Center @ FHI

<http://humanrights.fhi.duke.edu/students/opportunities/research-grants/>

Contact: emily.stewart@duke.edu

Deadline: March 1, 2019

The grant application is open to all Duke graduate and undergraduate students who are in their first, second or third year of study looking to complete a summer research project in the realm of human rights.

Gender, Sexuality & Feminist Studies

<https://gendersexualityfeminist.duke.edu/awards-grants>

Travel Awards

Contact: kimberlin.carlisle@duke.edu

Deadline: May 2019

Travel and research funding to present at conferences, or to take part in special projects. Open to all whose projects are gender-related, but preference given to Women's Studies students.

Gender, Sexuality & Feminist Named Awards

A variety of awards and grants to currently enrolled Duke students in recognition of outstanding scholarship and research, each focused on a different area; check each for individual requirements on our website

Economics Department

Davies Fellowship

econ.duke.edu/undergraduate/current-students/jobs-internships-funding

Contact: grace.kim@duke.edu

Funding for rising seniors in Economics to pursue faculty mentored independent study research.

Psychology Vertical Integration Program (VIP)

Contact: angela.vieth@duke.edu

Eligibility: undergraduate psychology majors

Deadline: February 1, 2019

9-week summer program for rising seniors planning to pursue Graduation with Distinction in Psychology, and other students if space permits.

Documentary Studies Awards and Fellowships

documentarystudies.duke.edu/classes/undergraduate/awards-fellowships

Contact: csims@duke.edu

Check the documentary website for details. These awards and fellowships are offered by the Center for Documentary Studies.

John Hope Franklin Student Documentary Awards

<http://documentarystudies.duke.edu/classes/undergraduate/awards-fellowships/john-hope-franklin>

Contact: csims@duke.edu

Deadline: February 15, 2019

The Center for Documentary Studies makes these awards to undergraduates attending Triangle-area universities to help them conduct sustained work on summer-long documentary fieldwork projects.

Natural & Quantitative Sciences

Biological Sciences Undergraduate Research Fellowship (B-SURF)

undergraduateresearch.duke.edu/opportunities

Contact: ron.grunwald@duke.edu

Deadline: February 2019

Eligibility: First-year students (rising sophomores)

8-week summer research program with placement in a Duke biological and biomedical science lab. Fellows attend faculty seminars, workshops, and present their work.

Summer Neuroscience Program

<https://psychandneuro.duke.edu/undergraduate/current/summer-neuroscience-program>

Contact: tyler.lee@duke.edu

Deadline: February 1, 2019

SNP is designed to facilitate Graduation with Distinction for rising juniors and seniors in the neuroscience major.

Summer Biochemistry Undergraduate Research Fellowships

<https://www.biochem.duke.edu/undergraduate-training>

Contact: Meta.Kuehn@duke.edu

Deadline: March 15, 2019

8-weeks paid research in a Duke Biochemistry Department laboratory. Students who have or are taking Biochem 301 and 302 or 322 will be given preference.

Research Internship in Toxicology and Environmental Health

sites.nicholas.duke.edu/superfund/training-opportunities/
Deadline: February 1, 2019
Contact: sarah.anne.phillips@duke.edu
Full-time internship in biology, chemistry, psychology, neuroscience, engineering, and environmental sciences.

Pratt Research Fellows Program

www.pratt.duke.edu/undergrad/students/research-fellows
Contact: carmen.rawls@duke.edu
Opportunity for Pratt students to do intensive research in an engineering major, including summer research.

Summer Undergraduate Research in Pharmacology

pharmacology.mc.duke.edu/surph/undergrad.html
Deadline: February 4, 2019
Contact: schwartz.bloom@duke.edu/ baize@duke.edu
This ten-week summer research experience focuses on learning how scientific discovery at the bench can be translated to treatment of disease.

Duke BioCore Scholars

www.biocore.duke.edu
Contact: biocore@duke.edu
Deadline(s): October 2018 for Spring semester research experience and March 2019 for Fall semester and/or Summer research experience
Eligibility: All Undergraduate Students interested in biomedical science research are welcome to apply
Provide paid research experience during the academic year (called fall or spring explorers) or over summer (summer scholars), in the biomedical, biological, and behavioral sciences.

Huang Fellows Program

scienceandsociety.duke.edu/learn/huang-fellows-program/
Contact: Emilia.chiscop-head@duke.edu
Deadline: January 22, 2019
Eligibility: First-year students (rising sophomores)
10-week program with lab placement. Fellows learn how to integrate ethics, policy, and social implications into their scientific research.

Duke Summer Research Opportunity Program

<https://gradschool.duke.edu/about/diversity-inclusion/diversity-efforts/duke-summer-research-opportunity-program>
Contact: dukesrop-gsa@duke.edu
Deadline: Early January of each year (Please consult the website for updated application and deadline dates)
10-week research-intensive internship program intended for undergraduate students (with a focus on students from underrepresented groups) intending to pursue a PhD in the biomedical sciences.

Duke Summer Training in Academic Research (STAR)

dcri.org/education/dukes-star-program
Contact: divinagracia.pinson@duke.edu
Accepting Applications: Nov 19, 2018 to Jan 11, 2019
Clinical research experience focuses on pharmacological research methodology, statistical analysis, epidemiological research methodology, statistical analysis, biomedical research ethics, and writing.

Undergraduate Research Fellowships in Cell Biology

undergraduateresearch.duke.edu/opportunities
For more information visit:
<http://www.cellbio.duke.edu/undergraduate-studies/>
Contact: undergrad_research_fellowship@duke.edu
Deadline: March 29, 2019/Decisions made mid-April
Supports 8-10 weeks of full-time research in a Duke University Dept. of Cell Biology primary faculty laboratory.

Mathematics Program for Research for Undergraduates (PRUV)

<http://math.duke.edu/undergraduate/pruv>
Contact: dkrain@math.duke.edu
Rolling application process. Early applications encouraged.
6-week of mentored research in mathematics intended for Duke junior and advanced sophomore math majors and leading to Graduation with Distinction in Mathematics.

Chemistry Summer Research Opportunities

chem.duke.edu/undergraduate/summer-research-opportunities
Contact: Chris.Roy@duke.edu
Deadline: March 15, 2019
Funding for students performing summer research in Chemistry.

Duke Marine Lab Bookhout Research Scholars

nicholas.duke.edu/marinelab/programs/undergraduate/financial-assistance#bookhoutscholarship
Contact: Katie.wood@duke.edu
Deadline: March 22, 2019
Support includes a full tuition scholarship to take research independent study during Summer Term I or II.

Physics Undergraduate Research Award

Contact: schol@phy.duke.edu
Deadline: late February/ early March 2019
Summer research fellowship for faculty-mentored research in any discipline in physics/biophysics.

Computer Science Undergraduate Research Fellowship (CSURF)

www.cs.duke.edu/csutf/
Contact: lucic@cs.duke.edu

Undergraduate Research in Nuclear/Particle Physics at TUNL and CERN

<http://www.tunl.duke.edu/reu>

Contact: reu@tunl.duke.edu

Deadline: February 4, 2019

Funding for summer projects at the Triangle Universities Nuclear Labs (Duke) and CERN/Large Hadron Collider (Switzerland).

Duke Genome Sciences & Medicine Summer Fellowship Program for Underrepresented Minority Underclassmen

genome.duke.edu/summerscholars

Research-intensive project or an interdisciplinary project.

Contact: Susanne.Haga@duke.edu

Deadline: January 15, 2019

10-week program for current freshmen and sophomores interested in genome science, genomic medicine and computational biology.

Duke Data+

bigdata.duke.edu/data

Contact: ariel.dawn@duke.edu or bendich@math.duke.edu

Deadline: Rolling until late February

10-week project for students interested in exploring data-driven approaches to interdisciplinary challenge

Applying for a fellowship or grant for a summer research project? Please be on the lookout for our workshops as they will take place throughout the semesters. Details will be posted on our website as they become available.
